Design & technology	I can make a 2D picture of myself	Can I make a cake?	Can I build a house with bricks	Can I make a Sandwich	What animal mask can I make?	What can I make with different materials?

Understanding the world	My family - my house!	Dinosaurs - ROAR!!	The world countries Technology information	Places we have visited IN THE WORLD LINKING TO STORIES & EVENTS	Different habitats of mini beasts and explore natures patterns & materials	Where animals live journey of changes
R.E	What makes people special? -	Christmas What is the story of Christmas?	Festivals Chinese new year?	Easter celebrations How do we celebrate Easter? Mothers day	Fathers day?	Eid and ramadam?
Music	What is music?	Traditional Christmas celebrations?	Traditional Rhymes	Let's move to music!	Exploring musical instrument sounds	
Music	<p>Wider Opportunities Bolton Music Service weekly music teacher visit</p> <p>I can music offered to all children in small groups continuing over the year</p>					

Teachers: Mrs Smith

-  Focus of this year will be to create an environment for each child that is enriched with their learning and skills.
-  The Nursery Children & new arrivals will experience the Numicon experiences to intensify mathematical knowledge and mathematical language.
-  All Children will be involved in weather, nature, growing and the science it involves.
-  Through exploration and curiosity together we will be discovering different countries and its culture.
-  Music will play a vital part of learning in Mini Moorgate to increase listening skills and speaking and listening through participation.
