-  Focus of this year will be to create an environment for each child that is enriched with their learning and skills.
-  Focus this year will continue with looking and encouraging children to listen to various stories- have a love of books!
-  Our focus will also be mark making- making marks with different utensils indoors and outside. Building upon fine motor skills.
-  The Nursery Children & new arrivals will experience the Numicon experiences to intensify mathematical knowledge and mathematical language.
-  All Children will be involved in weather, nature, growing and the science it involves.
-  Through exploration and curiosity together we will be discovering different countries and its culture.
-  Music will play a vital part of learning in Mini Moorgate to increase listening skills and speaking and listening through participation.
